

What makes John Jay Unique...

besides being # 1 for 50 years?

We have been in business since 1957 and it is important to me that we continuously improve. Fashion and beauty trends change semi-annually. The classics are steady and fads come and go. They will always be hip, fun and exciting, but all that really matters is what looks and feels best on each and every client.

the Importance of Haircolor

I feel strongly about color choices. I love bold fashion statements on the right people. But, I still feel that hair coloring is the first and foremost beauty and fashion consideration, even more than a great haircut. It precedes makeup and clothing colors.
